LOCKING LIPS

LipSense Liquid Lip Color is the premier product of **SeneGence** and offers an alternative to conventional lipsticks, stains and colours. When applied to clean, dry lips, it won't kiss, smear or rub-off. Individual shades can be created by combining shades that are rich and solid, sheer and shimmery, vibrant, shiny or frosty. It is recommended that the initial set of LipSense is purchased as a set with a LipSense lip colour of your choice along with a Shea Butter Moisturising Gloss and Ooops Colour Remover.

BRUSH STROKES

BeautyPRO Masquerade Cosmetic Brushes help conserve product, create a flawless finish and reduce the risk of contamination within cosmetics. The comprehensive range includes: **Large Powder Brush** - goat hair for powder application, **Large Shading Brush** - sable hair for superior pick-up and application, **EyeBrow Brush** - badger hair with an angled flat tip to fake thicker brows or to fill in sparse areas.
